## VISION & MISSION

The Silver Arts & Science College, Perambra is all about giving students a strong foundation in academics, culture, and science. So they're prepared for further education or a professional career. We offer innovative and rapidly growing undergraduate and post graduate programmes that are highly relevant to industry and social needs. Our programmes are designed to develop and inspire students' intellectual and creative potential and encourage them to think deeply and act. We want to give students the best possible academic experience, take advantage of new technology and learning methods, and further strengthen our engagement with communities locally and beyond. We have highly qualified and dedicated faculty who are committed to exemplary teaching, and a team of academic advisors and experts who conduct lectures and seminars, provide one-on-one guidance to create an outstanding college experience in a budding academic environment. We conduct regular Parent teacher interactions.
